The Eighth Annual Session of the Cape Fear Annual Conference of the A. M. E. Zion church held with St. John's A. M. E. Zion Church, Wilson, N. C., Dec. 3rd, 1919. Conference opened with devotional exercises. Bishop A. J. Warner presiding.

The Bishop read the first Scripture lesson from the 4th chapter of St. James and commented upon the same. Dr. P. W. Lawrence addressed the Throne of Grace in a very fervent manner. The choir chanted Sweet Hour of Prayer. He stated that according to the program Rev. F. Simms is to preach the opening sermon. The speaker selected his text from the 7th chapter of St. John 37. Jesus said on the last day of the feast: If any man thirst let him come unto me and drink. After describing the manner of the feast and the way it was held, the speaker proceeded to outline the aim and objects of the ancient feast and showed the necessity of us celebrating his Sacramental feast of today, viz: The last supper instituted by the Saviour of mankind, yea the Son of the living God. The speaker greatly emphasized the necessity of every man accepting the salvation of God. Listen! If any man thirst let him come unto Christ and drink. The greater the thirst the more a man needs to drink. To say the least it was a splendid sermon earnestly and intensely delivered. After the sermon the Conference partook of the Lord's supper. 126 in number. A collection was lifted. The next was the election of officers of the Conferenec as follows: Rev. H. P. Madison, of St. Luke's Church, Wilmington, who would preach at this hour. Dr. Madison arose and led in a short prayer and sang a selection, "I heard my Savior say," &c. He then took for a text the 40th chapter of the Prophecy of the Prophet Isaiah, 16th verse: And Lebanon is not sufficient to burn, nor the beasts thereof for a burnt offering. After picturing the beauties of

Lebanon and the sanctuary, and its grandeur, he said that the priest of the temple looked to Lebanon for the gold and silver that would beautify the sanctuary. He said the people and the Priest all depended on Lebanon but if you go into the forest and get all the timber and into the quarry and get all the stones, if you would go into the mines and get all the gold and silver it would not be sufficient to atone for the sin of man, but when the blood of the bullock and of doves could no longer atone for man, Jesus came and said, Lo I come to do thy will, O God. The speaker portrayed the fact that the blood of Jesus was the only sufficiency to save, and to face sin. "O it is hard to work for God," &c. The Bishop introduced Dr. W. H. Goler to preach the Ordination sermon. The speaker selected his text from the 2nd chapter of Revelations and 10th verse: Fear none of those things which thou shalt suffer. Behold the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days. Be thou faithful unto death, and I will give thee a crown of life. The speaker needs no comment. All who know him are well aware of the great power he sways as a pulpit orator. After he had outlined the purpose of and the aims of the words of the text he proceeded and preached one of the grandest sermons of his long life of preaching the gospel of Jesus Christ. He showed the necessity of tribulation as a means of helping instead of hindering us. And from the response and thanks and amens and hallelujahs on every side it must have been and was a grand spiritual treat. The Bishop arose and opened the doors of the church and let in singing "Amazing Grace, how sweet the sound," &c., while the congregation stood. No one came. Next was the ordination of Deacons as follows: Bros. W. J. Boykin, James Williams, J. B. Baldwin, McManning Gilbert, Purdy and George Washington. A silver offering was raised amounting to $228.00. Benediction by Dr. W. H. Goler.

FIFTH DAY—SUNDAY AFTERNOON SESSION.

Conference reconvened. Dr. J. H. Mosely lined hymn No. 448, "There is a land of pure delight," &c. Dr. J. H. Ander-Kinkad. He selected his text from the third chapter of Exodus. Rev. B. D. McIver addressed the Throne of Grace in a very fervent manner. After which Dr. Mosely lined hymn No. 287, "Salvation, O thy joyful sound," &c. The Bishop then arose and introduced as speaker of the hour Dr. G. W. Kinkad. He selected his text from the third chapter of Exodus 3rd verse, viz: I am the Lord thy God. To say the least no skillful student can pen the dramatic scenes following this sermon as to the greatness and grandeur of the occasion of Moses career. And the many ways that the Almighty God has taken care of his people. After the sermon a collection of $50.05 was raised.

FIFTH DAY—SUNDAY NIGHT SESSION.

Conference reconvened at 7:30 o'clock. Dr. J. W. Wood lined hymn No. 497, "Prayer is the souls sincere desire." Next Dr. Orten read the 9th chapter of Daniel as the Scripture lesson. Dr. J. H. Anderson addressed the Throne of Grace in a very pathetic manner that made our hearts burn. Dr. J. W. Wood read second hymn No. 495, "From every stormy wind that blows," C. M. After which the Bishop announced as speaker of the hour Dr. Orten, of New York. He selected a text from the 18th chapter of St. Luke 1st verse: Men ought always pray and not faint. Then a fervent prayer. A grand sermon was delivered. The Bishop sang one of his spiritual songs, viz: "I am going home," &c. The spirit of thankfulness and joy broke forth as the Bishop sang. A collection was taken up amounting to $53.25. Total for the day $331.00. The following brothers were ordained Elders: A. J. Hooper, Alexander Letley, E. R. Roper.

The Committee on Resolutions read their report. (See report.) After some corrections the report was adopted.

Mrs. Ida Smith, Secretary and Treasurer of the Home and Foreign Mission Department read her report which showed amount collected $493.07. The same was supplemented which made a total sum of $500.35 coming from this department. Rev. J. T. —— was appointed as delegate to the Central Conference: J. C. Lance to the Western N. C. Conference; B. P. Coward to the Philadelphia and Baltimore Conferences; Rev. J. H. Smith to the Florida Conference; T. F. Shipman to the Alabama Conference.

A collection was taken for an object of charity amounting to $5.44.

After some words of encouragement from the Bishop the appointments were read.

Thus closed the most successful Annual Conference in the history of the N. C. Conferences. Conference meets at Whiteville, N. C., December 19th 1920. Benediction by Dr. Orten.

PRESIDING ELDERS' REPORTS

GOLDSBORO DISTRICT.

Hon. Presiding Bishop, Associate Bishop and General Officers and Members of the Cape Fear Annual Conference—Greeting:

I am indeed grateful to our Heavenly Father for having spared me to be permitted to meet in the sixh session of the Cape Fear Annual Conferenc and the 10th year of my administration as Presiding Elder of the Goldsboro District, to attempt to give an account of my labor as Presiding Elder for the past 12 months.

We feel no higher honor could have been thrust upon this conference and Episcopal District, by the last General Conference than to be presided over by the Rt. Rev. Andrew Jackson Warner, A. M., D.D., who is a natural born leader of men,—wise counsellor, great Missionary hero, educator, prophet and evangelist and to my mind. and perhaps to all who know of him one of the greatest original pulpit orators of the 20th century. We regard him as a book of experience. He is a source of inspiration wherevere he chances to preach or spak. Grat crowds of people flock to hear him. No trouble in collecting claims wherever Bishop Warner visits. He is a king and affectionate captain; yet he commands his host with ease.

I also desire to congratulate myself upon having the distinguished honor of presiding over such a loyal, intelligent and christian set of men and women as compose the Goldsboro District.

The pastors for the most part are a class of hard working, sacrificing, business-like and honest set of menOur supernumeraries as a rule work in harmony with their pastors and Presiding Elders; our Missionary women, both district and locals have crowned themselves this year with honors as never before. As their reports will show. The Missionary Convocation at Asbury Park, N. J., managed by our noble women and the officers of the Woman's Home and Foreign Missionary Department, was indeed an epoch in the history of the church. Our good Mrs. Bishop Warner wrote me to notify the District officers to get busy, and in the mean time I received a letter and circulars from our brillian Corresponding Secretary, Mrs. Annie W. Blackwell.

zMrs. Lizzie Brock, President of the W. H. & F. M. Society, Mrs. S. A. Cook, Secretary Y. W., attended the meeting, reporting $70. Mrs. Sarah Olierv, Presidentof the Budds of Promise, did not attend, but sent $25.00 from her department. Sister Oliver has traveled very extensively on the district, and organized societies. Sister Brock has kept pace with the pastors, and Sister Cook held entertainments, made quilts and sold them and has a report that we will have reason to be proud.

The Daughters of Conference in the persons of Mrs. Hannah Best, Winnie Sherard, Miss Ea Svpeight and our loyal missionaries have done well in our local work. They will also report to the Bishop's table.

Mrs. Mollie Kornegay, Mrs. C. A. Smith, Mrs. Hannah Best and Rev. Mrs. B. P. Coward, Mrs. C. A. Cook and others filled banks, $500 each, and reported to Mrs. Ida V. Smith.

The pastors have made marked success in reporting General Claims to our business-like and economical financial Secretary, Dr. W. H. Goler. Every man settled in full with our prompt-in-answering church extension Secretary, Dr. J. C. Dancy.

The educational assessment or children money has been raised

in full and remittance made to Dr. J. W. Martin our hustling educational Secretary or or to the Presiding Elder. Also our Foreign Mission Assessment and Brotherhood monies are all paid in and remittance made to Drs. J. W. Wood and C. S. Whitted.

Our African Mission School money ($36), our V. C. E. money (25), and our S. S. Union Money ($17), were all raised in our S. S. Convention and turned over to the district officers, Prof. R. L. Lee President of the V. C. E. Union; Rev. H. P. Walker, Supt of the S. S.; and to the P. E., and remittance made to Prof. Aaron Brown, J. W. Eichelberger, A.M.; and Dr. J. W. Wood. They are business-like men and never fail to send reecipts and return thanks for prompt remittance.

This is a great district, though not from large churches with flowing membership, while it is true we have 40 or more churches, including 15 mission points or churches with membership from 25 down to 6; yet there are great possibilities for our Zion in this territory. We have an intelligent membership, scores of professional men and women; up-to-date and progressive farmers; industrious and economizing housewives.

The Missionaries and Free-Will denominations are very strong; have good churches and several good demonational schools in the territory of our district, but the men of our district manage to have splendid congregaions on their preaching days.

We haev organized several missions with no friction and yet there is room for as many more churches as we now have. Our good and far-seeing Bishop Rt. Rev. A. J. Warner, recommended a "Drive" for local purposes and emergency of $1,000 to the District—$3,000 for the conference. The meeting was held in March at Wilmington, the second in May and the third in July, at which time nearly one-half of the $3.000 for the conference was raised. We are looking forward for a full settlement from each district as I am satisfied will come from the Goldsboro; and if so the local interest and emergency of the conference will be well provided for.

MISSION POINTS.

Brothr A. Hopkins has charge of Brown Town Mission. This mission is in the midst of a flourishing community of colored people. It has only three members but Brother Hopkins has raised over $200.00 with the assistance of Rev. J. T. Jackson. The mortgage of long standing to C. W. Dunn discounted by him "50 per cent" has been paid from the Mission funds.

Revs. Edward Fields and J. E. Martin deserve great credit for the erection of the building and puting in windows, etc.

2nd. Rev. B. P. Coward, D.D., has taken Bro. John L. Moore and organized a mission at Simms, eight miles from Wilson on the N.-S. R. R. They have purchased two lots containing a building for $500. $160 cash and three years for the balance. With the assistance of $100 from the Drive, they are meeting the obligations; and with the support of Brother McPhail, a residen member, as well as others. Brother Moore is succeeding nicely, having raised $250 and paid $5.00 on claims.

3rd. Teachey Mission under Brother W. T. Miller, has taken on new life and is destined to be a promising point. He has raised $158, paid $5.00 claims. Bro. Jas. Powell, Sister Dora Johnson and Bro. D. Hayes are strong supports. With a little support from the Mission funds this will be a good point.

Institute Mission, organized by J. T. Jackson; Faison, under Rev.

J. S. Jackson, and a new mission near Turkey organized by Bro. W. D. Watford are also promising points.

PASTORS AND THEIR WORK.

GOLDSBORO STATION, Rev. W. S. Foster, Pastor. Elder Foster has rounded out four years of successful pastoring at this old historic station. Under his pastorate the old mortgage against the church of 17 years sanding has been cancelled. The debt on a building bought for a parsonage; a lot 60 by 200 feet, containing other buildings all valued at about $1500.00; he has paid for the same in full. This building being too small for a large family like Elder Foster's this year he launched a rally raising about $700 for a larger building. Hence the old parsonage has been moved back a little space, and a two-story, 6-room building is being erected at a cost of $3,000, making 10 rooms in all with the old one attached. His board realizing his worth as a business man has given him the management of the work.

He is an intelligent gospel preacher, a business pastor, in fact any man who can make it in Goldsboro four successful years or four years in succession is indeed a success, and need to be commended. He has a business-like board, one of the best Sunday schools I know of in Zion. Brother B. H. Hagans, U. S. Mail Carrier, is the Superintendent. Three stewardess boards, Mrs. C. A. Smith, Mrs. S. A. Graham, and Mrs. Cathrine Jordan, President, have kept the parsonage well supplied, &c.

Elder Foster has a round report.

WILSON STATION, Rev. B. P. Coward, Pastor. Dr. Coward has served this charge eight years with wonderful success. He has towered in strength as a Pastor, Preacher and Leader of his people each year; as an evidence of his ability his excellent and business-like board after the 1st quarterly conference in January, raised his salary from $1,000 to $1200 per ansum.

We have strong, business-like and well prepared men as pastors in our Zion, but I doubt any man could have excelled Dr. Coward in the business-like and economizing manner in which he has managed the affairs in building such a magnificent brick edifice in this flourishing town. It is indeed a modern church as you will see. Valued at $80,000.00, with only about $6,500 due. He has had several good rallies. It was my good pleasure the 2nd Sunday in April to see him pull off a four weeks "drive" (40 captains) all women, realizing over $2,000. Over $1800 piled upon the table here. Sunday night.

He has a business-like trustee board, most excellent set of leaders, three boards of stwardess that are indeed mindful of their duty. The Sunday school with Dr. W. H. Mitchner, M.D., Supt., is indeed a blessing to the church. This year completed the bell-tower, put in toilet works, completed the basement, pastor's study, S. S., primary dpartment, chair vesture-room, ladies' parlor, covered the parsonage, installed lights with other improvements on the inside, &c. Bought a bell for $500. Interest paid up to date on notes, premium paid on insurance. This year he has taken Bro. Johnny L. Moore one of our young men and has gone up to Simms, a little place on the N. & S. R. R., about 8 miles from Wilson, organized a mission and purchased a lot and building for $500, by paying $160 and 3 years time to pay the balance.

This church has donated about $100 to the same. See report in full in my report on Missions. Mrs. Coward has her neck in the yoke in the interest of the church. She brought in $150 in the April rally. Next to her was Mrs. C. L. Dordan, reporting $160. They all did well.

SNOW HILL CIRCUIT, Rev. A. Musgrave, Pastor. Elder Musgrave is one of our successful pastors. He succeeds every where he is assigned. He is a good, plain gospel preacher, known how to organize and hold the people. He always comes up with round reports every year. He makes a specialty of his quarterly meetings on Gneral Claims, &c. No man excells him in raising and reporting claims. He has served this circuit with increased success for four years. This is a grand old historic circuit. Business_like officers and loyal membership. We have two churches on the circuit. They are indeed beautiful. Some of his last work was to buy a bell of 500 pounds for St. James church, Snow Hill, county seat of Green county. His report is full to the brim.

MOUNT OLIVE CIRCUIT, Rev. A. E. Hudson, Pastor. Elder Hudson has served this circuit three years with wonderful success. He has indeed wrought well in remodelling the church at Mount Olive

at a cost of $3,000. It was dedicated by Bishop Warner the 3rd Sunday in September, at which time they were able to reduce the debt to $125. Union Wesley Mission is now a thing of beauty. Cornerstone laid, church painted, new pews, &c. Rev. Hudson is an excellent preacher, a great organizer and a brilliant scholar. He has an up to date Sunday school in Mount Olive, a flourishing V. C. E. Society and other autxiliaries, in fact the whole church is well organized. He has succeeded in carrying this church in leaps and bounds for three years in succession.

Our church is no longer in the rear in this thriving little town. He makes a specialty of his claims as his report will show for two years. He has record breaking revivals adding many to the churches.

PAULS CHAPEL CIRCUIT, Rev. J. B. Martin, Pastor. This young hustling pastor has built us a new church at Evansdale, 51x35 with 2 parallastico, 4 doors, 2 steeples, valued at $3,000. Ceiled over head in an oval shepe. Walls will soon be plastered, and about practically paid for. We held our quarterly meeting 1st time at this Mission on the 3rd Sunday in November raising in cash over $400; installed gas lights at Paul's Chapel costing $100. A new organ also planning to enlarge this church.

He is a good pastor, strong preacher, and a splendid organizer, He has the best Sunday School and C. E. Sosiety of any rural school in the District, also an excellent stewardess board. He like Dr. Coward carries his people with ease. The stewardess of the Circuit donated him $151.66 last Sunday.

WARSAW CIRCUIT, Rev. J. S. Jackson. Pastor. Elder Jackson has succeeded on this circuit beyond our most sanguine expectation and greatly to the surprise of the communities.

All who know Warsaw and Clinton know that our Zion is very

weak numerically in these towns, but Rev. Jackso has wrought well; the church at Warsaw wih about 18 or 19 members has had to be provided for by Annual Conference and District, for the last 10 or 15 years, especially since the church was blown down and had to be rebuilt. But this year with a little assistance from the Conference and District, Rev. Johnson has paid the last note and in the meantime completed the church, put in a new organ at a cost of $200, pews and altar and it is a beautiful church. The little membership are as happy as larks.

The church at Clinton has about the same number of members, but it is indeed a beauty, has painted, put in electric lights, etc. He is a strong preacher, a good pastor and one who practices what he preaches.

The Faison Mission is in charge of W. D. Watford, a local preacher. He has organized another mission near Turkey. Paid in $5.00 on claims from this mission.

GOLDSBORO CIRCUIT, Rev. W. J. Fox, Pastor. He is a successful pastor, spiritual preacher and a man whom you may depend. He has done well this year, considering the high waters that swept through two of his points. In one section the whole crop was drowned. He has had successful revival and the churches are spiritually alive. Made improvements at Miller's by the way of an organ, &c., at a cost of $70. Raised $85 at St. John's where most everybody lost their entire crop. At St. Matthew, Goldsboro, a bell for $75 has been purchased Lumber—$40; cash on hand $16.75 for erecting a steeple. This little church has a loyal membership of about 25 members. Our faithful president of the Bud of Promise, Sister Oliver is a class leader and a blessing to the church; in fact, the entire membership are faithful workers.

DUDLEY CHURCH, Rev. H. P. Walker, Pastor. Rev. Walker is one of the leading lights in the old N. C and Cape Fear Conferences having built more parsonages than any one man in them. He has successfully pastored our church in the colored town of Dudley, as it is principally owned by our people. This year the church has taken on new life and is doing well, having raised $80 for underpinning, paint and other repairs. He is a strong, intellectual Gospel preacher and intelligently prepared

WESLEY CHURCH, Rev. J. W. Jones, Pastor. Rev. Jones is a hustling young pastor. A splendid preacher and an energetic young man. He was sick for three months but since his recovery no man according to membership has excelled him, along the spiritual as well as financial success. He raised about all of his claims including the local drive and salary besides he had a good rally at Wesley raising $300, before the District Conference. Also one at Giddensville. Bro. J. C. Kornegay and wife brought in $80. Bro. R. L. Lee is one of his main supporters.

BLACK CREEK AND SOUTH WILSON MISSIONS, Rev. W. S Steadaway, Pastor. Rev. Steadaway is one of Zion's safe pastors He has built us a beautiful little church in this town on the lot donated by Dr. O. L. W. Smith on which our former church built by Dr. Smith was burned.

He is now enlarging the church at Black Creek by putting a T. to it. He has made great sacrifice in his own means toward these churches Dr. Coward and his good people contributed more than $100 to the assistance of Rev. Steadaway. He is a good pastor and a No. 1 Gospel preacher.

SARATOGA AND WEST WILSON MISSIONS, Rev. J. W. Edwards, Pastor. Brother Edwards has pastored those missions for two years with a degree of success. We have a splendid building at Saratoga built by Rev. W. J. Fox but as the membership is small it is unable to support a pastor. They desire to be attached to Paul's Chapel circuit. We only have about 6 members in St. Stephen's Mission, this city. Since the storm blew down our church that had been partly built we have tacked up a little place for worship on Brother Orange Best's lot, one of our old local preachers, a true and tried Zionite. The rich folks of the city are buying and moving in this section and the probability is that Brother Best and others will sell. Hence, we are raising money to buy further out, &c.

PRESIDING ELDER'S REPORT OF THE WILMINGTON DISTRICT OF THE CAPE FEAR ANNUAL CONFERENCE.

Dear Bishop and Brethren: Again through the mercies of God I am permitted to submit another annual report. I have passed through a seige of afflictions wherein my friends were very solicitious about my well being, but I am glad to say that God, who watches over us, delivered us. During thi speriod my friends manifested themselves. Among them Rev. E. L. Maddison proved himself a brother indeed. He came to my relief when the hand of affliction was laid upon me and with the auxiliaries of his church supplied many needs, and as a crowning act his church, with the aid of Rev. T. F. Sheppard, gave us a cash donation of seventy-five dollars, for doctor's bill and other expenses in connection with my illness.

ST. LUKE CHURCH, Rev. E. L. Madison, Pastor. I have the honor to transmit herewith the following report of my pastorate for the Coference year ending December 3, 1919, viz:

All the Pastors with few exceptions willingly and cheerfully held their meeting sin accordance with the Presiding Elders appointments as per discipline with very little expense because of sickness. To them too my thanks goes out.

Iam glad to report that at the District Conference Rev. F. Simms and the brethren aided much by their assistance and our district showed no dimunition, in connectional or local interest.

It was not my privilege to attend connectional council at Patterson, N. J., for my doctor had ordered rest and relief from anxiety at least six months. Thus I am here today.

Again thanking the Bishop and brethren for their kindness to me during my affliction, and to the churches throughout the district for their prayers and personal interest, and above all our heavenly father for raising me from a bed of sickness, for with David in that 30th Psalm I can say: "I will extoll Thee, O Lord, for thou hast lifted me up, and has not suffered my enemies to rejoice over me." I cried unto the Lord and he healed me." "He brought me up from the grave," &c.

Respectfully submitted,

CLINTON D. HAZEL, P. E.

PRESIDING ELDER'S REPORT OF THE CLARKTON DISTRICT.

Dear Bishop and Conference: It is with much gratitude and praise to the blessed Lord and Saviour Jesus Christ that we are here in another Annual Conference, and that with unbroken ranks All the pastors of the district have enjoyed good health with but few exceptions. We went out from Mount Olive at the close of our last session mindful of the fact that this year's work would bring us into our next Quadrennial session, therefore all the arrears of our Conference should be brought up, and now our district is ready to report in full, with the others in order that our good Bishop, of this the sixth Episcopal District may sit in the Council of Bishops in Knoxville, Tenn, next May with a cheerful heart and smiling face. Well, this has been a year of great prosperity, so no one need speak of hard times. It is He that is hard up. Should we have another year like this one, we will have great difficulty in passing the streets and roads, for every other fellow will be driving a motor car. I rejoice in the fact that the Districts and most of the charges have raised the salaries of Presiding Elders and Pastors. This is as it should be. For the very high cost of living is on now. The Tercentenary Campaign is on in full, and to my mind it is the best spiritual and financial move that the Church has ever made. We note with much pleasure the spirit of rivalry among the pastors. Each of them has gone far beyond my expectation in repairing and building churches and parsonages. Indeed they have a mind to build. The yare calling the Bishop very often to dedicate or lay corner stones. The White as

well as Colored are asking that the General Conference return Bishop Warner to us again. I am glad to say that the Sunday schools are improving each year. The Superintendents are meeting with their Convention much better than they did a few years ago. Last but not least the good ladies in charge of the W. H. & F. M. Societies of the District and the Daughters of Conference have done the best they could possibly. But their report is not as full as we had hoped.

CLARKTON CIRCUIT, Rev. B. D. McIver, Pastor. He held this charge one year and wast transferred to the N. C. Conference. Returning to our Conference the Bishop send him to this charge. Suffice it to say, that he being one of our old regulars has taken hold of this splendid work as an old workman should, and succeeded splendidly. He got more salary than any of his predecessors. He had the Church and parsonage recovered and has left in hand $126.62 for further improvement on parsonage. At Savannah Temple the lumber is being put on the ground for the remodelling of that church with $350.00 in hand.

BLADENBOTO CIRCUIT, Rev. J. L. Ham, Pastor. He is another one who wears well and long on any charge yet held by him. He is now in the bloom of life. He began right and by following that line, he is a success today. All of his churches love him. He leads all in sending in large amounts of collections early in the year. The Bishop asked our district to look about and get up $1,000 and catch up some back money due the Connection on General Claims and use the other for local Missions and Conference school. Rev. Ham raised his part, $85.00, at the first meeting.

LUMBERTON CIRCUIT, Rev. R. F. Butler, B.D., Pastor. The Bishop used his Godly judgment to perfection in this appointment. Dr. Butler, too, is one of Zion's hustling pastors He too received more salery than any one preceding him. He finished and painted the steeple on Providence Church. It was erected by Rev. Dr. A. E. Lomax. The Circuit has in hand $250 to secure a much needed lot and a better location for our church. I think we should have an attractive church in the beautiful town of Lumberton, the County seat of Robeson, which is growing faster than any town on the Seaboard Railway from Wilmington to Charlotte.

LAKE WACCAMAW CIRCUIT, Tev. A. M Martin, D.D., Pastor. He is a Christian gentleman and a real good preacher. He doesn't try to be a Spiritual fire-brand, but get him in the pulpit and he becomes electrified at once, and thereby moves his people at once. He always brings a full report. He has raised this year $1,000 at the small church at Lee's Chapel. The workmen are now erecting an up-to-date church. Now Bishop, they are looking for him on the first train Monday as their pastor.

WHITEVILLE CIRCUIT, E. W. Smith, Pastor. He has held this charge with wonderful success. This is his second year and second time that he has served these good people. His first appointment here was when he built the splendid brick church. After two years the Bishop sent him back there in order for him to pay off the remaining debt. Now many had their doubts as to the possibility of him doing so But he is here smiling with the mortgage burned. There is a cozy parsonage on same charge and beautiful lot. Church parsonage and the street is electric lighted. He also has a full report.

SHADY GROVE CIRCUIT, Rev. R. O. Spaulding, Pastor. This is the church that the Bishop took from Rehoboth Circuit and Rev. Spaulding sent as pastor. I was very fearful about this charge on the circuit, but the people came out and fell in line with their new pastor, and made it possible for him to get the $250 in gold for General Claims early in the year, heading all pastors on the District. He brings a full report on all lines.

PHOENIX CIRCUIT. Rev. G. T. Richardson has pastored this charge the fourth year with great success. He is beloved by all his people. Now they don't see how they can do without him. He ranks easily with the head men of the Conference. H repairs or builds churches or parsonages on any charge he is sent. But I think that he came near being a match this year. The old Summerville Church being now far from the settlement of our members, he has secured a site very suitable and bought a church from the white folks very near the new site and it is now being placed upon it. Some of the older people were soon to get in line. That splndid new building erected by Elder Ham (Evergreen Church) has been ceiled and plastered this year. H has mad further improvements on his new passonage.

GRAHAM CHAPEL CIRCUIT, Rev. J. E. Quince, Pastor. He has rounded out another year's work with continued success. His people love him and they work lovingly together. The building, the spacious yard and cemetery are a thing of beauty. Rev Quince delights in making improvements. One of his churches was taken from the Circuit, but he and his good people went right on with but little change in the assessment. During the visit of the Bishop they gave hi ma reception that made him feel that he was among friends. But on his return home that large coop of fine birds that followed him was the best kind of proof of friendship. They are asking fr visits from all over the district The new churches that are being built and the hope that the Bishop can dedicate them before the General Conference. Mount Pleasant Church will be ready for him in early Spring. Elder Quince is an all round pastor and a lively preacher. A splendid report he has. Paid drive money in full.

REHOBOTH CIRCUIT, Rev. G. H. P. Anderson, Pastor. He has held this charge two years with great success. One strong church was taken from the work this year, but he has gone right on with the work successfully. It is admitted by all that he is a good man, very scholarly and high class Christian gentleman, and a real good preacher. He has been selected by the General Board of the Conference school as its Principal teacher, at Clarkton, N. C. He brings a full report as usual. He has raised $160 for the painting of Rehoboth Church and the money to insure the church. Has purchased a bell for Peirce Chapel.

FTEEMAN CIRCUIT, Rev. E. M. Green, Pastor. The Bishop sent him to this new arranged and small Circuit this year in order that he might build it up, knowing that he would not have to depend upon the small membership for his support. Now to make bad matters worse he found that a members meeting had been held, and they had desired to have no pastor this year, on account of the change made in the Circuit, but Rev. Green before closing the service announced that he would fill all appointments during the year, the Lord aiding. On Quarterly Conference day the Presiding Elder reminded them of their request, that the Bishop have their charge detached for the for-

mer Circuit and it was done. They fell in line Now they are asking through their delegate for his return without fail. St. Paul Church has been greatly improved by ceiling and painting. Rev. Green may not look like a spiritual preacher, but get him into the pulpit and he will prove it every time. He always makes full reports.

CARVER'S CREEK CIRCUIT. Rev. E. S. Burney is one among our best pastors. A splendid preacher, an excellent financier, and thereby never fails in rounding up his report. He has carpeted the very large and beautiful Carvers Creek Church. His Council Mission Church has been framed up and being inclosed. It is a splendid model. Large and a beautiful situation. They have $250 in hand and success is assured.

ELIZABETHTOWN CIRCUIT, Rev. E. A. Lomax, B.S.L., Pastor. He has succeeded wonderfully well. He did what few can do, raised all the claims for each department, and did it long before Conference. He had great success in his revivals. Painted the beautiful parsonage that was erected by Dr. Butler. He raised lots of money for seating and finishing Mount Olive church. Dr. Lomax is a successful pastor and an excellent preacher. The people greatly enjoy his preaching. The delegate says that he must return. His drive money was paid in full.

BAKERS CTEEK CIRCUIT, Rev. T. H. Herring. Pastor. I was very glad when the Bishop placed him on our district, for he is the great church builder in our Conference, but he will have to hold up some now, and learn to raise his Claims first. His officers did not treat him right at one church on the close up. They did not rally to him on General Claims as he did for them on local money. He is a good man and a good preacher.

BOARDMAN CIRCUIT, Rev. D. D. Ballard, Pastor. This young man has succeeded wonderfully well another year on this small charge. Wrightsville Church, of Boardman, was alone for two years but they took care of their pastor and Presiding Elder and paid all claims as well as some of the charges with two and three churches. Christian Light Church is a part of the Circuit now. I need not tell you that all the people have Rev. Ballard for his long stay is a proof of that. Christian Light was much displeased at first but the delegate is here asking that he be returned to both churches without fail. He has improved Christian Light building very much, and money in hand to continue the work. Our good Bishop during his visit at Boardman preached such a wonderful sermon that the white people of the town were highly elated, and one gentleman gave the church a splendid individual communion set. This makes the church complete in and out, with everything.

CROMARTIE MISSION, Rev. E. V. McKay, Pastor. This is his second year as a traveling minister and I must say that he has succeeded wonderfully well. He built churches, holds and increases the membership and raises evry pnny due from his charge. He is indeed a safe leader. He is destined to be a great workman in Zion.

CHADBORN MISSION, Rev. E. Z. Toper, Pastor. He has only two members, but his report shows that he is up with any of the pastors. We have a splendid lot in a prominent part of the town and with the aid given him from the Conference we will have a building up by the next Annual Conference. Rev. Roper is very untiring in the work of the Church. He is a real good preacher too and a Christian gentleman.

REPORT ON CHRISTIAN ENDEAVOR.

To the Bishop and Members of the Cape Fear Annual Conference: We, your Committee on V. C. E. Society beg leave to submit our report: The Christian Endeavor Society is disabled. Mr. Clark in Portland, Maine, February 2, 1881, was inspired by God to organize the C. E. Society. Since that time it has grown world-wide and that in the year 1896 our own Zion Church caught the inspiration and organized its first Society and named it in honor of our founder and first Bishop the lamented James Varick, as its first President: The

scholarly and one of Zion's most progressive men the Rev. Jesse B. Corbett, D.D., L.L.D. Her borders have continued to spread until today in every Conference the Society has been organized. Prof. Aaron Brown, its present President. We must admit that this is a neglected child in our Church. Brethren, shall these conditions contine. We all answer, no.

For the purpose of exchanging views and making suggestions for the bettering of the Society, we recommend that the President be required to visit every Socity throughout the District at least once a year.

REPORT OF CONFERENCE MISSIONARY.

Dear Bishop and Conference: I beg leave to make my report as Conference Missionary. After having served in the itinerary 46 years November, 1918, and my health is becoming so debilitated, I thought I had better resign pastoral work, go home and take some needed rest. November 12th having gotten consent from my Presiding Elder I preached my farewell sermon as pastor and left the work with Rev. T. F. Shepard until Conference and came home on the

15th. I felt like I could not stop preaching, so at the last Conference I asked the Bishop to give me missionary licenses which he did. I was so much indisposed that I remained home until the 4th Sunday in April. That Sunday I spent with Rev. W. S. Foster in Goldsboro. He and his good people gave me a good time.

All the ministers and people whom I have visited have treated me with the highest respect, not one having shown the least disrespect. My work is as follows: Number of sermons preached 50; number of funerals conducted 11; I assisted Rev. A. E. Hudson with 11 and Rev. J. W. Jones with 11; number of marriages 11; I held 11 quarterly meetings for Presiding Elder Moseley; I held three Quarterly Conferences and assisted him in administering the Sacrament 3 times. I assisted Rev. Hudso in his revival; it was what I would call a great meeting; he had 66 confessions and 28 accessions. Aside from this these have been six to join the churches where I preached: two at Dr. Madicon's church, St. Luke; one at Rev. Ham's church, Briscom's Chapel; two at Dr. Coward's church, Wilson; one at Tev. J. S. Jackson's church, Clinton:

REPORT ON STATE OF THE COUNTRY.

To the Rev. Bishop A. J. Warner, D.D., members and friends of the Cape Fear Conference:

We, your Committee on the State of the Country beg leave to submit the following report: Never in the history of the world has the spirit of unrest been more marked than it is today. The prolonged war between labor and capital which results in strikes and the high cost of living, the failure of our Government to ratify the peace treaty, the coming Presidential election, the problem of immigration, the growling and rude behavior of Mexico which resulted in a sort of gorilla warfare on American citizens right at our door, the unsolved racial problem with its race riots, lynchings, burnings, assaults, electrocutions, woman suffrage, etc., seem to be the underlying causes of unrest.

Despite the united efforts of the State and Federal governments to handle the present situation and consequently restoring things to their normal conditions, this colossal task of re-adjustment to pre-war conditions, seems to be beyond them.

There is also to be noticed the economic question. The country seems to have reached the very znith of prosperity. With such a splendid financial outlook, the churches are putting forth their greatest efforts in the raising of large sums of money for missionary activities and educational purposes.

The State is not less active. With its splendid efforts of the reduction of the percentage of illiteracy, and the production of a better class of teachers by a raise of the standard of education, our Schools and colleges are filled to their utmost capacity.

We pray and we hope that this awful state of the country as briefly described by our committee, may in the near future be changed for the better by the wise ruling of Divine Providence.

To this end may the united prayers of the churches of God's grace ascend.

Yours respectfully,

G. H. P. ANDERSON, Chmn..
E. W. SMITH,
E. I. BURNEY,
A. M. MARTIN,
T. F. SHEPARD.
